## EDUCATION

Lee's Summit West High School | GPA 4.22

My name is Jaye Mack, and I've been in gymnastics since I was four years old. It has been a part of my life for as long as I can remember. I began Xtreme Gymnastics, and I have been there learning and growing my entire gymnastics career. The gym has become a second home to me. Currently, I am a level 10. I am 16 years old and a sophomore at Lee's Summit West High School. I am a student of class 2021, following graduation I plan to continue my gymnastics career in a college environment, while studying to become an architect. When I am not practicing at the gym, I enjoy hanging out with my friends and family, drawing, and cooking. I continually work to be the best gymnast and student I can.
